# ACKNOWLEDGEMENTS

Special thanks go to Dr. Bruce Gearing for his unparalleled leadership. He supports a culture in Leander Independent School District that places a strong emphasis on the Fine Arts. This culture has elevated the Leander ISD Fine Arts program to one of the most distinguished in the nation.

Our thanks go to Charlie Little, Todd Pfaff, Becky Azard Jackson, Collin Fletcher, Jeremy Fry, Parrish McEwan, and Amanda Toon. Their understanding of the importance of music education and their continued support has contributed to the success of the music programs at Vandegriff. We are truly fortunate to have such a supportive administration.

The music being presented on the stage this evening would not be possible without the amazing talents of our middle school faculty. Please join me in thanking Amy Allison, Steven Myers, Tristan Rivera, Jessica Gonzales, Cori Swan and Adrian Teti. The care and devotion exhibited toward their students is admirable and should be emulated by all teachers.

Our gratitude goes to Mike Howard for his guidance and mentoring of all the band directors across the district. His focus on continuous improvement and development of young teachers has ensured continued excellence in our band programs for years to come.

Our appreciation also goes to Linda James and Faith Wager for their continued support of our programs. They are vital to the success of our programs. The students and directors thank you for your unending dedication.

We would like to express our thanks to the Vandegriff High School Band Booster Executive Board. Their unending service, leadership and guidance is greatly appreciated and vital to the success of our program. We are extremely grateful for their help and devotion.

Finally, the students and directors from the Vandegriff Band thank the parents and families of all of the students in the band. Parental support is, and always will be a key to the success of these young students in all that they do. We thank you for your help in getting students to rehearsals, sectionals and band functions. Continue to support your children in their work at school, sports activities, music and everything they do. Parents will always be an important influence on their child's life.
